

Talking Points

KUNJUNGAN HORMAT KERAJAAN NEGERI PERLIS KEPADA GABENOR WILAYAH SATUN DAN GABENOR WILAYAH SONGKHLA, THAILAND

Tarikh : 14 Mei 2019 dan 15 Mei 2019

1. On behalf of the state of Perlis I would like to thank you for your willingness to accept our presence. Perlis is bordered by two southern provinces of Thailand, Satun Province and Songkhla Thailand
2. Among the mediums that can strengthen the understanding and bond between Songkhla and Satun with the State of Perlis are through Formal Visits, Cultural Exchange, Tourism and Border Sports. It is important to establish close relationships between Government officials at the border to facilitate official affairs.

Safety

3. This good relationship are essential to avoid any conflicts that can affect the peace between ours. We will ensure that we will working together to make sure the safety of both states. Border safety should be one of the main issue that both authorities focused on. This will include to reduce the Illegal Smuggling, Narcotic, Kratom Leaves and many more.

Benefit

4. We believe that with a good and strong relationship, we will benefit so much from it. The main benefits is to increase the prosperous between our states. As a state with an international border like us, we have many potentials. For Instance, back in Malaysia, our federal government have few strategies in 2020 budget to boost any states that bordering with Thailand in the name of Boarder tourism. Perlis are looking forward for this as we hope that we will gain as much as we can from this collaboration.

Relationship

5. We are really hope that your province will make a formal visit to Perlis someday. We have many things to show you as our border friend.
